1:01 The general purpose of this Agreement is to establish mutually satisfactory relations between the Employer and to provide for the prompt and equitable disposition of grievances without stoppages of work, and to establish and maintain satisfactory working conditions, hours of work, and wages for all Employees who are subject to the provisions of this Agreement.

1:02 No Employer shall refuse to employ or to continue to employ, or otherwise discriminate against any person in regard to employment or any term or condition of employment because of nationality, creed, ancestry, place of origin, religion, colour, race or sex.

1:03 The parties agree that this collective agreement is the only collective agreement applicable for Piling work in the province of Saskatchewan. The Provincial Operating Engineers agreements (for Industrial, Commercial and Institutional construction), in effect between Local 870 and Construction Labour Relations Association of Saskatchewan Inc., and any Project Labour Agreement associated with such agreement, has no relevance or applicability for work in the Piling sector.

2:01 This Agreement shall be effective from January 23, 2022 and shall remain in effect until January 31, 2025.

The parties hereto express their intent to consider amending certain provisions of this Collective Agreement, by way of an Appendix, where this action appears necessary and appropriate for certain projects. The provisions must be mutually agreed upon by the parties hereto.

3:01 The Employer recognizes the Union as the sole collective bargaining agent for all employees falling within the jurisdiction of the Union.

- 4:02 Upon the written request of any Employee within the scope of this Agreement and upon the written request of the Union, the Employer agrees to deduct from the wages due to any such Employee the UNION DUES, and submit all monies so deducted, along with a list of names from whom such deductions have been made, to the Union on or before the 15th day of each and every month. In order to facilitate the written request from the Employees, the Employer agrees to supply the Union with the name, social insurance number, address and classification of hire to the Union. The Union will then mail the new hire his/her Job Dispatch Slip for him/her to sign off on having the Dues Deduction Authorized. Once that is returned to the Union, the Union will then forward the signed Dues Deduction Authorization back to the Employer. Electronic methods may be used to facilitate dues deductions.

4:03

The cost and scheduling of such testing shall be paid for and arranged by the Employer.

The Union agrees to reimburse the Employer for any failed pre-access Alcohol and Drug test costs for IUOE Local 870 union members. This clause will not apply to any other workers supplied by the Employer.

Work referral slips will not knowingly be issued by the Union to members who are inactive while on the respective EFAP Alcohol and Drug program nor will these members be knowingly dispatched to a contractor and/or job site by the Union.

Monday to Friday, inclusive. A deviation may be allowed by agreement between the Employer and the majority of the Operating Engineers on the job.
- 7:03 One hour in each workday shall be allowed as a meal hour, but the time allowed for the said meal hour may be reduced on any job as agreed between the Employees on the job and the Contractor or his/her representative. Any deviation on industrial sites shall be agreed to at the pre-job conference. After working thirteen hours in one shift, the Employer will provide a hot meal at no cost to the Employee, and shall provide a hot meal after each additional four (4) hours of work. c) When working under the Monday to Thursday four (4) day work week schedule, Friday may be used as a make-up day when weather conditions have caused lost time during the regular work week. A make-up day will only be worked during the same week that the time is lost. Work performed on a make-up day shall be paid at the regular straight time rate for the first ten (10) hours to a maximum of forty (40) hours per week after which one and one-half times (1.5x) the hourly base rate shall apply. Time worked on make-up days shall be on a voluntary basis and each Employee has the right to refuse such work. Makeup days shall not apply to the Tuesday to Friday schedule.
